

Dear Patient,

For your review, we have included a letter concerning the Diamond Headache Clinic's Advanced Personalized Program. The letter describes the goals of the program and its advantages to our patients. Since we established the program last February, we have received positive feedback from patients who are reassured about the level of communications achieved by their participation in the program.

If you have any questions about the program and/or its costs, please contact our billing department at 800-432-3224.

On behalf of the physicians and staff of the clinic, I thank you for your interest in our program.

Sincerely,

Merle L. Diamond, M.D.
President and Co-Director
